

# Virtual Teams Everywhere Are Being **Challenged.**

Now there's a new solution.

# The Five Behaviors<sup>®</sup>

for **Virtual Teams**

can help you work effectively with others—especially as you work remotely.

In order to adapt to the needs of today, The Five Behaviors<sup>®</sup> has **partnered with Patrick Lencioni** to help your people develop and strengthen teamwork skills—from anywhere—with a **new learning experience: “The Five Behaviors for Virtual Teams.”**

# The experience is broken down into **three** parts:

## The Assessment

It all starts when taking The Five Behaviors® Personal Development assessment to unlock personalized insights and improve collaboration and teamwork skills.

## Exclusive Virtual Event with Patrick Lencioni

Tune into “The Five Behaviors for Virtual Teams,” an exclusive virtual event featuring *The Five Dysfunctions of a Team* best-selling author Patrick Lencioni, to hear his unique insights on the challenges teams are currently facing, and the behaviors needed to work together effectively.

Patrick Lencioni

### Save the Date!

**November 10, 2020\***

**11am–12pm Chicago**

**5–6pm London**

\*Can't make this session? No problem. An on-demand session will be available upon request through November 30, 2020.

## Virtual Facilitation

After the virtual event, an impactful and customized follow-up training with me, focused on the concepts of Trust and Conflict, will bring the Personal Development learning experience full circle.

**Let's discuss how you can leverage The Five Behaviors<sup>®</sup> to strengthen and support your teams—no matter where they are.**
